## AGITATION SHOULD BE NIPPED IN BUD

The movement of extreme agitators is a cause deserving every watchful eye. In the Tonopah and surrounding communities should be brought to an abrupt end. This is certainly a most important matter to be settled in good time. We are now experiencing from the agitators that are affiliated with the "I. O. O. F." and "A. O. U. A." a most serious situation. They are now making a most serious attempt to stir up the people of this community. They are now making a most serious attempt to stir up the people of this community. They are now making a most serious attempt to stir up the people of this community.

The Bonanza people are now making a most serious attempt to stir up the people of this community. They are now making a most serious attempt to stir up the people of this community. They are now making a most serious attempt to stir up the people of this community.

## STUDENTS OPPOSED TO BETTING ON GAMES

BERKELEY, Calif., Sep. 27.—Student leaders at the University of California here have started a campaign against betting on the football games.

Support is being given the campaign by Andy Smith, head football coach. "Proofs of support of this year's varsity may be shown in other ways than by waving wavers," Smith said.

The Daily Californian, a student paper, says betting has persisted here in spite of all efforts to discourage it. Californians, the paper added, should get over the idea that it is a sign of lack of California spirit to refuse a wager from a rival institution.

Place your order with the Bonanza for job work and you are assured of quality printing. We have the most complete printing plant in the state. Reno not excepted.
